

The Route of All Evil

No, of course not. It was... uh... porno. Yeah, that's it. You don't know how to do any of those. Eeeee! Now say "nuclear wessels"!

Leela's Homeworld

Yes, I saw. You were doing well, until everyone died. Yeah. Give a little credit to our public schools. Switzerland is small and neutral! We are more like Germany, ambitious and misunderstood!

- I suppose I could part with 'one' and still be feared...
- No, of course not. It was... uh... porno. Yeah, that's it.
- I was having the most wonderful dream. Except you were there, and you were there, and you were there!

Lethal Inspection

No, just a regular mistake. I was having the most wonderful dream. Except you were there, and you were there, and you were there! That's right, baby. I ain't your loverboy Flexo, the guy you love so much. You even love anyone pretending to be him!

Mars University

Guess again. This opera's as lousy as it is brilliant! Your lyrics lack subtlety. You can't just have your characters announce how they feel. That makes me feel angry! Can I use the gun?

- 1.Robot 1-X, save my friends! And Zoidberg!
- 2.Goodbye, cruel world. Goodbye, cruel lamp. Goodbye, cruel velvet drapes, lined with what would appear to be some sort of cruel muslin and the cute little pom-pom curtain pull cords. Cruel though they may be...
- 3.This is the worst kind of discrimination: the kind against me!
- 4.Hello Morbo, how's the family?

Three Hundred Big Boys

Your best is an idiot! It's toe-tappingly tragic! I don't want to be rescued. No! I want to live! There are still too many things I don't own! THE BIG BRAIN AM WINNING AGAIN! I AM THE GREETEST! NOW I AM LEAVING EARTH, FOR NO RAISEN!
